RESPONSE TO COMMUNICATION

Sir:

This is a response to the attached Notice To Comply With Requirements For Patent Applications Containing Sequence And/Or Amino Acid Sequence Disclosures dated August 14, 2002, which response is being made on or before October 14, 2002, and for which a one-month extension fee is due.

A sequence listing in computer readable and paper forms are enclosed herewith, together with a paper copy of specifications as filed. Attached please also find our Response to the Office Action dated October 2, 2001, which Response was made before November 2, 2001.

Statements

The content of the paper and computer readable form are the same and include no new matter.

Respectfully submitted,

D'vorah Graeser
US Patent Agent
